WELCOME MESSAGE

Dr Liza Mohd Isa
Organising Chairperson

Dear Colleagues and friends,

It is with great pleasure that I welcome all of you to the 22nd Malaysian Society of Rheumatology - Singapore Society of Rheumatology (MSR-SSR) Workshop in Rheumatology 2022 which will be held both virtually and onsite in Kuala Lumpur from 19th - 21st August 2022.

The theme for this workshop is “Towards Excellence in Integrated Care” with the main focus on vasculitis. The workshop will be addressing issues, challenges and new advances in this field. In addition, the pre-congress workshop featuring “Rehabilitation in Rheumatology” will be held at the same venue.

We encourage rheumatologists, general physicians, family care physicians as well as allied health personnel with interest in rheumatology to participate in this exciting event as we will be inviting local and internationally acclaimed speakers to share their knowledge, experience and expertise.

We sincerely hope that you find this meeting interesting and will benefit greatly from it. It will also strive to offer plenty of networking opportunities among professionals and organisations involved in rheumatology from various parts of the region.

We look forward to see you in Kuala Lumpur for a productive discussion and symposium.

Best wishes,

Dr Liza Mohd Isa
Organising Chairperson
