INBOUND TRAVEL REQUIREMENTS TO HONG KONG

Quarantine requirements:

- All inbound persons from overseas places or Taiwan are now only subject to quarantine under the “3+4” model, i.e. will be subject to compulsory quarantine in Designated Quarantine Hotels (DQHs) for **three days**, followed by medical surveillance at home (or a hotel) for **four days**.
- During the self monitoring four day period, you will be subject to Amber Code restrictions under the Vaccine Pass which includes attendance to APLAR 2022.
- APLAR will continue to monitor the travel requirements into Hong Kong as the environment is regularly changing. We will keep you informed as restrictions begin to reduce and Hong Kong begins to open up to the world.
