MALAYSIA - SINGAPORE SPONDYLOARTHRITIS CONGRESS 2023

13th - 15th October 2023  Le Méridien Putrajaya

MALAYSIA - SINGAPORE
SPONDYLOARTHRITIS CONGRESS
13 - 15 OCT 2023

WELCOME MESSAGE

Dr Fariz Yahya
Organising Chairperson

Dear friends and colleagues,

Welcome to the Malaysia-Singapore Spondyloarthritis Congress which will take place on the 13th to 15th October 2023 in the city of Putrajaya, Malaysia.

This congress will be one of the first congresses in the Southeast Asia region to focus on Spondyloarthritis, which is a musculoskeletal disease that is increasingly growing in interest. The congress will bring together all of us who are working towards understanding and developing treatments for Spondyloarthritis by sharing information about new developments in the field, further promoting educational activities that would help in understanding this condition better and combating it as much as possible.

Organised by the Malaysian Society of Rheumatology and in collaboration with the Singapore Society of Rheumatology, this congress will involve international and local speakers, all who are experts in the field of Spondyloarthritis and the conditions relating to it. The programme for this 2023 congress will include clinical and basic sciences sessions and also a pre-congress session, which aims to increase the understanding of Spondyloarthritis to allied healthcare professionals.

We hope that this Spondyloarthritis congress will be an occasion for junior clinicians and allied healthcare colleagues to gain more interest in Spondyloarthritis, and for all of us to continue learning on this disease. It is also an opportunity to meet old and new friends while exploring the city Putrajaya, one of the world's greenest cities. We look forward to see everyone at this congress in Putrajaya, Malaysia.

Best wishes,

Dr Fariz Yahya

Organising Chairperson
