by **Revolutionizing Resilience**

Commanding The Spirit of The Wolf with SAPPHIRE

Date / Time **27th April 2024 (Sat), 7.00pm - 9.15pm**

Venue **Virtual**

Enough of tolerating what's good enough! In the pursuit of greatness, let us break free from the shackles of mediocrity, for 'good' is the enemy of 'great'. Together, we shall redefine the outcome of lupus by summoning the indomitable spirit of the wolf. Join us in unraveling the secrets of SAPPHIRE. Your presence is the key to unlocking a future where excellence knows no bounds.
